Balticon Sponsorship Proposal

By marketing your company's products or services to Balticon members, you reach a demographic of people of above average intelligence who are tech savvy and are in middle to high income brackets. Balticon members come from all over the United States, Canada and Europe, with about 72% coming from the east of the Mississippi River in the U.S.A. Balticon Program Participants come from a considerably broader geographic area.

In addition to reaching current year Balticon members, your sponsor ad in our BSFan will reach hundreds of additional people as we give away additional copies of the BSFan when we market Balticon through our fan table presence at many other conventions. Your advertisement will remain on the Balticon website for six to twelve months (depending on when we receive your ad) and will reach the thousands of viewers who visit the Balticon website over the course of those months.

Balticon print publications include:

The *BSFan*, our commemorative convention book, printed on high gloss paper in black and white with a full color heavy cover and 8 to 16 full-color center pages

The *Balticon Pocket Program*, which contains descriptions of all program items, as well as the convention, Anime Room, Art Show, Concert, Dealers Room, and Special Events schedules.

The *Balticon Participant Book*, which contains a listing of all guests and program participants and their biographical and, in some cases, bibliographical information.

The *Rocket Mail*, an at-con daily bulletin covering schedule changes, notes from staff, and lists of parties and receptions.

Point Of Contact Marketing:

You can support Balticon and your own marketing goals by putting your name in the hands of our members. We can use:

- Reusable plastic, poly, or fabric tote bags with the Balticon 50 logo and your logo or ad imprinted on them. We'll load each bag up with the BSFan and other convention publications, promotional materials, and other swag.

Minimum — 2,500 pieces.

- Highlighters or pens with your imprint on them. Balticon members will use these to mark up their pocket program and program grid to plan their personal con schedules. We'll include them in the Registration Bags, and put them at the Registration, Volunteers, LARP, and Masquerade Registration desks.

Minimum — 2,500 pieces (3,000 recommended).
